An important message from FSU Office of Human Resources

This message has been approved by Renisha Gibbs, Associate Vice President for Human Resources and Finance & Administration Chief of Staff, for distribution to all Deans, Directors, and Department Heads.

The Office of Human Resources will host an open Zoom Q&A on Friday, August 21. This meeting will cover general COVID-19 information. We are excited to welcome two notable guest speakers:

- Dr. Scott A. Rivkees, Florida's Surgeon General
- Dr. Shamarial Roberson, Deputy Secretary for Health

Drs. Rivkees and Roberson are highly regarded experts in their fields, and we are fortunate to have them further expand our overall understanding of COVID-19. The information covered in the meeting will not be specific to FSU, and we encourage general questions about the virus and pandemic response.
